Welcome to Advanced Placement World History: Modern! You have signed up for a challenging course, but one that aims to prepare you for college. During the school year we will explore the complexities of human history from 1200 CE to the 21st century, learn valuable academic skills, and take the AP World History Exam in May.

The course is designed to prepare you for your exam. As a result, content coverage is fast-paced and unit tests are timed to mimic the actual exam conditions. This is an exciting course that looks at the big picture of history, traces civilizations over time, and explores the multifaceted causes & effects of human interactions.

To be successful, you will need to stay focused and work hard. **Be prepared to spend a minimum of 4-6 hours a week outside of class on AP World History.** If this does not seem realistic for your schedule then you may want to reconsider taking this course and speak to your counselor immediately. Large amounts of collegiate level reading will be required, as well as a high emphasis placed on primary document usage and analytical thinking.

The following mandatory Summer Assignment is used to prepare you for the year ahead with a jump-start on course content. You will need to download the textbook to complete the following assignments. These assignments will assist in building your fundamental knowledge of World History and laying the foundation for material covered during the year.

The Summer Assignment consists of 2 parts:

1. World Mapping

2. Summer Textbook reading.

There will be a test on the summer material administered during the first week of school.

Late Assignments will NOT be accepted.

Please sign up for the AP World History Summer Google Classroom. Code: **7g4y6ia**

You will be able to contact me here or via email **semsa.duskic@petridesschool.com**

Please email me or send me a Remind if you have any questions! I am very consistent with answering all questions from you. This will be the case all year long.

I look forward to beginning working with you in September!
