Staff Student Basketball Fundraiser Game

On Friday May 13th the Petrides boys basketball program faced off against staff members with both middle and high school students in attendance. The staff team team, coached by Nick Lezoli had several Petrides basketball alumni including Sean Mullins (15), Josh Bibbons (09), Harrison Ross (09), David Martinez (09), Kyle O'Hare (18), Khristian Cooper (21) and Dennis Richardson (14). Christian Ferri (09) coached the boys team.

The boys got out to a great start led by Sophomores Charles Steele and Jaden Allyson. Charles Paced the team controlling the offense and scoring in spots. Junior Deandre Niles hit a few big three's early on helping the high school team hold a lead for most of the first half.

In the second half however, the staff went on two good runs and pulled ahead by 12. Our boys responded with two threes, one by sophomore Nick Koshy and the other by Sophomore Jibreel Nasser. Then, senior Jon Haynes scored a layup to pull the high school team within 4. Ultimately the staff had too much size, composure and experience scoring twice in the final two minutes to secure the win by 7. It was a great day for the boys basketball program and for the entire Petrides School community.
