The Petrides School

Partnering With Parents

WE WANT TO HEAR FROM YOU!

I believe that open communication between teachers and parents is paramount for student success. In order to communicate effectively, I have listed below the Middle School teacher's email addresses, as well as the grade and subjects they teach. You can also contact me at 718-815-0186 extension 22171 to leave a telephone message or email me at BSouffrin@schools.nyc.gov if you have questions or concerns.

| Teacher's Name | Grade | Subject | Email address |
|---------------------------|---------|------------------------------------|------------------------------|
