A Message From Ms. Ponzi

Dear Families,

It was so nice to see so many of you attend our Parent Teacher Conferences last month. Communication and collaboration between families and school is extremely beneficial for the success of our students, so we THANK YOU!

I encourage and appreciate your continued support at upcoming Parents as Partners events. Many parents were up at school this past month taking advantage of our workshops and assisting their child in the classroom, learning how to help their child at home and shopping at the book fair. I look forward to seeing you again soon!

Please continue to dress your child appropriately for the changing weather. We are continuing to send children outside for recess when the weather permits.

As we approach the holiday season, let us remember the importance of family, friends, and fun! I wish you and your families a very Happy and Healthy holiday season with your loved ones.

Sincerely,
Ms. Ponzi
