Thank you!

A Message From Ms. Ponzi

Dear Families,

Spring is finally here and we are heading into the final stretch of the school year! Our children have grown in so many ways and they continue to make us proud each day. Our upper elementary students have been working very hard this past month to prepare for the NYS ELA and Math exams. Our younger students are inspired and continue to practice becoming better readers, writers and problem solvers. I am so proud of everyone, keep up the great work!!

We will continue to host opportunities to engage with our parents and work together to ensure the success of our children. We encourage you to volunteer your time here at school during upcoming special events.

Enjoy the upcoming Spring Recess with the ones you love!

Sincerely,
Ms. Ponzi
