

February 7th, 2020

Dear Parents,

Families must apply for admissions to the Michael J. Petrides School. The deadline to submit an application is **March 16, 2020**. All Staten Island residents entering grades 1 through 5, including students with disabilities and English Language Learners, are eligible to submit an application for September 2020.

Offers are made through random lottery based on seat availability to eligible applicants, with priority to siblings of students currently enrolled at the Petrides School in kindergarten through grade 4. **Applicants who are siblings of students currently enrolled in the school must provide sibling information on the application.**

The Petrides School is a Pre-Kindergarten through Grade 12 educational environment that uses a variety of innovative and proven instructional practices, including team teaching, multi-age grouping of students, looping, block programming, and heterogeneous classes.

Students are not guaranteed yellow school bus services to the school. Transportation eligibility is determined by the office of Pupil Transportation within the limits established in the Chancellor's Regulations and applicable law.

Attached to this letter is the application for the 2020-2021 school year. **This application is for students entering grades 1 through 5 at the Petrides School. This application must be submitted by mail or person by March 16, 2020 to:**
