Dear Parents,

Lifetouch photographers will be in the building on the following dates listed below. Students in Pre-Kindergarten through grade Seven and grades Nine through Eleven will be photographed according to the following schedule:

Wednesday, May 12, 2021: Cohort B and Cohort C

Tuesday, May 18, 2021: Cohort D

Wednesday, May 19, 2021: Cohort A and Cohort C

All blended learning students will be photographed on the date that they are scheduled to be in the building. Families of students in Cohort D should fill out the Google Form on [petridesschool.com](http://petridesschool.com) so that we may contact you to schedule a mutually convenient appointment time for your child. The Google Form link is located on the main page of the website.

Due to COVID-19 restrictions, students in Pre-Kindergarten through Grade 4 will not take a class photo this year. Instead, students will receive a composite that includes the individual photo of every student in their class, including teachers and paraprofessionals.

Parents may choose to pay for their child's portraits prior to the picture day. You may do so according to the directions listed below.
